REACH CERTIFICATE OF COMPLIANCE

Summit Wireless Technologies (Summit) has confirmed with our Contract Manufacturer (CM) to provide accurate information regarding the Substances of Very High Concern as listed in the REACH XVII : REACH1907/2006: Annex XVII of Regulation (EC) No. 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) (2006/12/18) on the dated of September 28, 2018.

To the best of our knowledge, Summit has determined that our modules as listed below do not contain the Substances of Very High Concern in amounts limits by REACH1907/2006.

Table with 2 columns: Summit Model/ SKU and Product Description. Rows include 444-2250 (SWS997SD Rx module) and 444-2251 (SWM908SD Tx module).

This statement is based on Summit's understanding of the REACH directive and knowledge of the materials that go into these modules as of the date of disclosure of this information.

Summit relies on information provided by our suppliers and has not conducted chemical analysis or testing on devices.
